Notice on service provisions due to the strongest cold current

Thank you for your continued support and using Sunny Maid Service.

Due to the impact of the strongest cold current this winter, severe cold weather and heavy snow are expected in various parts of Japan. There may be a delay in the start time of the service from January 24th to January 30th, or we may ask for your cooperation to change the schedule depending on the situation.

We will try our best to provide the service on schedule, just in case we may make a safety-first decision in consideration of the influence of the weather and transportation. We apologize for any inconvenience this may cause.

Sunny Maid Service will continue to make our best effort to satisfy our customers. Thank you for your kindly understanding.
